

2018
Letter to My Parents™ Contest in
Los Angeles 

October 15, 2017

Dear Friend,

It is impossible to live fulfilled lives without our parents. Family has always been the basis of society. Family unity is what helps people grow both as individuals and as members of society. However, today—in the more individualistic society we live in—it seems that the role of the family is changing.

The **Rotary Club of Historic Filipinotown** and **Reiyukai America** are pleased to invite teens and young adults living in Los Angeles County to participate in the 2018 Letter to My Parents™ Contest in Los Angeles with a vision and a strong wish to maintain a healthy family relationship or to make improvements within the parent-child relationship.

The guidelines were presented on October 14th and we are currently receiving entries. Like other previous years, after receiving all the letters, we will be selecting 10 winners and inviting them to join us at Final Presentation which will be held on Thursday, February 1 2018 at the Silver Lake Medical Center in Los Angeles. (Please note the date and the venue may be subject to change.) These ten winners will be presenting their letters in front of their parents, families, friends and the general audience including the judges.

Our goal is to reward the top ten winners with \$50 gift certificates. Among the ten, the judges will be selecting three most share-worthy letters to be recognized as award receiving letters in three different categories: Bravery, Reflection, and Proposal. We are planning to offer each of the award recipients a cash prize of \$500.

Therefore, our goal for this year's contest is to raise a minimum of \$2,000. Through this letter, we would like to extend an invitation to local companies, organizations and individuals who believe the youth are our future and are willing to support them. Any amount of contribution is greatly appreciated. Each of the donors will be acknowledged during the final presentation. Please note that Reiyukai America, one of the co-organizers, is a 501 (c)(3) non-profit organization. Thus, your contribution will be considered as tax deductible.

We would like you to be a part of this fabulous family bonding experience that leads to building a better community and society through family unity.

Our deepest thanks and appreciation for your consideration in a tax deductible gift for a noble cause.

Sincerely,

Toshiro Obara
General Manager, Reiyukai America
